

ALEXION'S COMMITMENT TO ACCESS AND EDUCATION: **ALEXION ACCESS NAVIGATOR**

VIRTUAL EDUCATION ON DEMAND

Attend virtual education programs on a variety of topics including billing, coding and reimbursement.

HEALTH INFORMATION MANAGEMENT EDUCATION

Meet with our institutional reimbursement experts for health information management education.

REIMBURSEMENT SUPPORT

Our specialists are available to answer questions regarding reimbursement, payer policies, coverage determinations and how to obtain necessary forms for authorizations and/or appeals.

CODING AND BILLING INFORMATION

Learn more about on-label billing and coding by site of care, claims submission requirements, and tips for submission of claims with identification of new technology add-on payment (NTAP).

RESOURCES TO SUPPORT YOUR INSTITUTION

The Access Navigator program offers resources to support appropriate access, including a billing and coding guide, reimbursement roadmap, and a NTAP education flashcard.
